ACQUISITION EXPANDS COVERAGE AND STRENGTHENS REVA'S PRESENCE IN THE WESTERN U.S.

FORT LAUDERDALE, Fla. --- REVA Air Ambulance, Inc., the largest dedicated fixed-wing air ambulance service provider in the Americas, has completed the acquisition of American Care Air Ambulance and its affiliates. American Care is a dedicated fixed wing air ambulance provider with operations in San Diego, Calif., and Spokane, Wash.

ber of the REVA team and the American Care operations will benefit greatly from the increased scale and capabilities of the combined company.

"We are excited to have Milan and the American Care team join the REVA family and to expand REVA's presence in a key region. This combination will allow us to

"...This combination will allow us to better serve our existing clients and we look forward to working with new clients through our partnership with American Care"

Stuart Hayman, CEO of REVA

The American Care transaction continues REVA's geographic expansion and further strengthens REVA's presence and coverage of the Western U.S. and Asia. American Care has a 19-plus year operating history and a strong reputation with its loyal client base. As a result of the American Care transaction, REVA now operates a fleet of more than 10 aircraft at five strategically positioned bases, with continued growth expected in new planes and markets. American Care founder Milan Floribus will continue as a valuable mem-

better serve our existing clients and we look forward to working with new clients through our partnership with American Care" said Stuart Hayman, CEO of REVA. Milan Floribus added, "REVA was the right partner for us given their extraordinary professionalism, dedication to patient safety and impressive global alliances and capabilities." Mr. Hayman added that REVA remains interested in acquiring or partnering with additional fixed wing air ambulance providers.

ABOUT REVA
